support BGS

How will my contribution be used?

“

Our alumni are the greatest testament to the opportunities our School creates. Many continue to support the growth and success of BGS.

”

By donating to the capital fund, your gift will go towards future building and development projects. Previous capital gifts have created and improved the School's facilities.

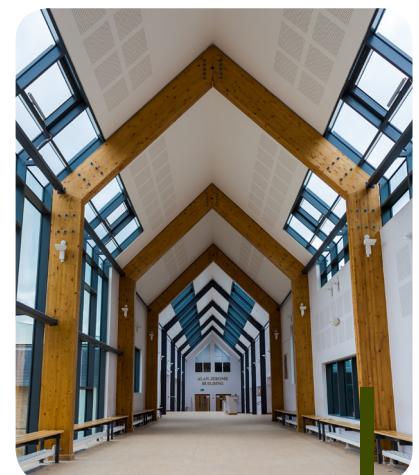

Past capital projects include the Stephen Davidson Learning Link, the Alan Jerome Science block, and the Roger Evans Sixth Form Centre.

If you choose area of greatest need, your donation will be allocated at the Headmaster's and Governors' discretion.

If you choose to make a gift to Bradford Grammar School, you are able to allocate it to the area of your choice:

- Bursary fund
- Capital projects
- Area of greatest need

If you decide that you would like to donate to the bursary fund, your contribution will help to enable bright, able children, whose parents are unable to afford the fees, to receive an outstanding education at Bradford Grammar School.

Remember BGS in your will

Many alumni have bequeathed some of their estate to the School in their will.

Sometimes they stipulate that the legacy is to be given to improve the school buildings, classrooms or sports equipment.

The School usually then remembers the legacy by way of a special plaque. Others may leave a legacy to the bursary fund or simply leave how to assign the legacy to the discretion of the Governors.

It is usually relatively inexpensive to make a will or to amend it by adding a codicil to arrange the gift of a specific sum of money. Please remember that if you are leaving a legacy to quote the School's registered charity number, 529113, registered in England and Wales.

You or your solicitor can contact Ian Smith to discuss this in further detail on 01274 553708.
