"The success we are celebrating today represents only one piece of the whole educational package at BGS, where a rich and diverse co-curricular programme is characterised by a wealth of opportunities, inside and outside of the classroom. Whilst we acknowledge and celebrate deserved GCSE achievements, there is much more to life than exam results alone – striking a balance is important.

We are delighted for our outgoing Year 11 students and greatly look forward to welcoming them back, alongside new students to BGS, as young women and men into our highly successful Sixth Form."

Headmaster, Dr Simon Hinchliffe

"Beyond the headlines, we are celebrating the many individual accomplishments that represent a personal success for those students who did themselves justice at all levels of achievement. A life-enhancing education is open to all at BGS with many exciting opportunities outside the classroom in the arts, sport, community projects and various clubs and societies.

We care about the whole person at BGS; outstanding exam results deserve to be celebrated, but they are just one part of a much bigger picture."

Headmaster, Simon Hinchliffe
