

Bradford Grammar School

School Journey Policy

**This policy applies to the Junior School and is published to parents, pupils and staff.
Reviewed 20 September 2017.**

At Bradford Grammar Junior School (the School) the school day begins at 8.45am with pupil registration in form groups and finishes at 3.20pm. The School has a wide catchment area, and runs a school bus service to facilitate travel into school for a number of pupils; others arrive and depart by public transport or private car and a small number who live near to school travel by bicycle or on foot.

The School recognises the importance of safeguarding pupils on their journeys to and from school and regularly reviews its practices and transport provision to ensure that pupils are able to get to and from School as safely and comfortably as possible.

1. School buses

Bradford Grammar School (BGS) runs eight school buses to and from the school (see Appendix 1 for the bus routes and stops). Places are booked by parents annually or termly (although occasional daily travel may also be arranged if there is room on the bus).

The buses are scheduled to arrive in good time for the start of school at 8.45am and leave BGS promptly at 4.10pm. Estimated pick up times may vary due to traffic conditions. Pupils are advised to arrive at all stops at least 5 minutes ahead of the times shown, and to stand at their pick-up point clearly visible to the approaching driver.

All the vehicles used are modern, safe, well maintained and fitted with tracker systems. The drivers are experienced and have undergone all necessary child safety clearances; they have a register of all pupils eligible to travel on their bus, and pupils are required to show their bus pass as they embark. As an additional safeguarding measure for pupils in Years 2 to 7, when they are dropped off at the end of the day, parents are required to opt in or out of an additional bus pass system whereby the driver will only allow the pupil to leave the bus if he/she is satisfied that there is someone there to meet the child (see Appendix 2 for *Code of Conduct for Pupils Using a School Bus* and *Safeguarding for Our Younger Pupils* sections from the BGS Transport Information booklet.)

All buses drop off and pick up pupils in the turning circle to which they have exclusive access. At the end of the school day, an after care supervisor escorts the Junior School children, who are travelling home by bus, down to the bus turning circle. Each child is supervised getting onto their bus and the aftercare supervisor waits with the children until all the buses have arrived. A member of Senior School staff is also on duty in the turning circle supported by members of the Estates Department who supervise cars arriving and leaving the adjoining car park.

A member of the School's support staff communicates regularly with the bus companies and handles parental enquiries and concerns. Bus arrival / departure times and the length of journeys are monitored. The Assistant Head Pastoral is kept informed about all matters relating to the school buses, and the Senior Leadership Team (SLT) regularly reviews the routes in order to manage the services as effectively as possible.

2. Public transport

(i) Trains: A large number of pupils and school staff make use of Frizinghall Train Station, which is seven minutes' walk from BGS (see Appendix 1 for the train routes and stops). The School keeps a record of pupils who travel by train and provides a security team to supervise the safety of pupils walking to and from the station along Frizinghall Road. This team is in place along the road and on the station platform between 8am and 8.45am in the morning and between 3pm and 6pm in the afternoon. Clock House children are not permitted to walk down to the train station without an accompanying pupil or adult. Additionally, any parent whose child needs to walk to or from the railway station at other times of the day may request an escort if they wish. Selected Sixth Form students from the Senior School also act as train monitors to promote good behaviour on the trains and to report any concerns they have relating to pupil safety or behaviour.

In conjunction with the rail company Northern Rail the school issues bespoke BGS Rail Passes to most of the pupils aged below 16 who regularly travel by train. These non-transferrable, non-refundable passes can only be used on school days and are priced using a banding system which makes train travel to and from school significantly cheaper than buying the passes available to the general public. The School also facilitates applications for Young Persons' rail passes for pupils aged over 16.

(ii) Buses: Pupils using the bus services for their journey to and/or from school catch their buses from the stops near to the main school gates, within sight of the security guard stationed there, who oversees vehicles entering and leaving the School site.

3. Private transport – cars and car parking

Car-parking space is provided on campus for pupils, staff and parents. Cars parked there throughout the day must display a parking permit issued by the Estates Department. There is CCTV coverage of the car park, and the Estates Department helps to enforce the one-way traffic flow system at busy times. Drop-off bays at the top of the car park facilitate the delivery of pupils in the morning. The member of teaching staff on duty between 4pm and 4.20pm helps to enforce the one-way system.

4. Late arrival at school

Any pupil who arrives too late for registration is required to sign in at Reception. Repeated lateness will lead to the pupil's parent(s) or guardian(s) being contacted to establish what the problem is and how it can be remedied.

6. Adverse Weather arrangements

During adverse weather conditions, in order to ensure the safety of pupils on their journeys to and from school, the School takes care to inform parents as early as possible if a decision has been taken to close the School. A protocol is in place (see Appendix 3) for closing the School.

Appendix 1: Bus and Train Routes to BGS

Routes to Bradford Grammar School

<p>Trains</p> <p>Direct regular rail services used by over 302 pupils every day. Frizinghall Station is seven minutes walk from BGS.</p>	<p>Buses</p> <p>Used by 256 pupils every day. Present pick up points are shown.</p>

Appendix 2:

Code of Conduct for Pupils using a School Bus

The School expects all pupils using a school bus to agree to the following code:

CATCHING THE BUS IN THE MORNING

- Arrive in good time at your stop.
- If you are in a hurry to reach the bus on time, be careful crossing roads in your rush to get there.
- When you wait at your stop, stand well clear of the road.
- Wait sensibly at the bus stop, and be considerate to other pupils and members of the public.
- Show your bus pass to the driver as you board, so that he/she can enter you on the register.

ONCE ON THE BUS

- When you have found your seat, fasten your seatbelt and remain seated for the rest of the journey.
- Always show the driver respect, and on no account distract him/her unless in an emergency.
- Behave sensibly and with consideration to the other pupils using the bus, and look after the younger pupils on your bus.
- Keep noise to a minimum, and do not use any offensive language.
- Be sensible about where you stow your bags.
- Keep the aisles clear of bags and equipment.
- Do not leave any litter or mess on the bus.
- Do not tamper with bus fittings or damage the bus in any way.
- If you notice any damage to the bus, report it to the driver before you get off.

USING THE BUS IN THE AFTERNOON

- Take care approaching the bus on the turning circle and behave sensibly as you board.
- Show your pass to the bus driver as you board so you can be marked on the register.
- When you get off the bus, make sure you have taken your belongings with you.
- Wait until the bus has moved away before crossing any roads, so that you have clear visibility.

Please remember that using the school bus is a privilege. The School will not tolerate anti-social or bullying behaviour. Such behaviour will be dealt with swiftly and may result in a temporary or permanent loss of the privilege to travel on the bus. A refund will not be issued if your pass has been suspended due to unacceptable behaviour.

Safeguarding for our Younger Pupils

As an additional safeguarding measure for pupils in Years 2 to 7, when they are dropped off at the end of the day, we ask that parents choose whether to opt in or out of the following bus pass system. There is a section on the Seat Reservation Form to express your preference.

- Pupils in Years 2 to 7 whose parents request it will be issued with a special pass (in a different colour from the normal bus pass, with details of the system and the relevant school phone numbers printed on the back) stating that they are not to be allowed off the bus unless the driver is satisfied that there is someone there to meet them.
- The bus pass is handed to the driver by your child as he/she boards the bus and collected as he/she gets off.
- If no-one is there to meet your child at their stop, the bus driver will wait for 5 minutes.

- If there is still no-one there after that, the driver will keep your child on the bus and ask him/her to phone you (or the person they expected to meet them) to explain what will happen next.
- At the end of the bus route, if no-one has turned up to collect your child, the driver will return the pupil to school to await collection, supervised by a member of school staff.
- Each pupil should be made aware of this procedure by their parent.

Appendix 3:

Procedures in the event of snow during the school day

- SLT to make the decision to close school.
- Secretarial office to liaise with bus companies regarding early pick up and timings.
- Message to be placed on web-site by the Assistant Head Pastoral and/or the Director of CDM as soon as possible once the decision has been made. This must be visible to both Junior and Senior School parents.
- At this point the Junior School's adverse weather arrangements will be activated.
- Parents will be informed via email and text regarding early school closure.
- A member of Estates Department will be available to meet parents and direct them to the correct building.
- Teaching staff will be allowed to leave school 20 minutes after the pupils (for Health and Safety reasons) unless otherwise agreed in advance with the Deputy Head or the Head of the Junior School. Volunteers to support SLT as necessary with any pupils not collected at close of school.
- Non-teaching staff (after care supervisors and the Head's secretary) will also be allowed to leave 20 minutes after the pupils unless otherwise advised.
- The website message will be updated at the end of the day to state that 'A decision will be made by 0630 confirming whether school will open tomorrow; the website will be updated accordingly'.
- Should the School be closed the following day, a text and email message will be sent to parents for whom we have contact details. The website will also be updated to advise of the school closure.
- Should the school be open the following day, a message will be posted on the website to confirm this.
