Taster Session for Reception

Thursday 15th May 2025
9.15am – 10.15am

Prospective parents and children aged 3-4 are warmly invited to experience life in our Reception class, explore our new state-of-the-art classroom, and meet our specialist Early Years Foundation Stage (EYFS) staff in a relaxed setting.

Immerse yourself in our "Whatever Next" themed classroom activities and discover the enriching experiences that await your child at Bradford Grammar School.

Our EYFS staff are passionate about recognising the unique nature of each child and helping them excel holistically, in turn building strong foundations for academic success.

In our Foundation Stage, we hold fast to Einstein's philosophy that "play is the highest form of research." We are excited to showcase how we use play as a powerful medium, creating tailored learning opportunities that meet the individual needs of every child in our setting.
