If you wish to contact a specific teacher, or member of staff please either use the relevant generic email above, ask your son/daughter for the details or it may be useful to know that most teacher's emails are constructed with three initials followed by @bradfordgrammar.com.

Please note our aim is to respond to all non-urgent enquiries within two working (school) days - matters of pressing pastoral concern will of course be dealt with much more rapidly. While our teaching staff will aim to reply as soon as possible, correspondence over the weekend or out of working hours is unlikely.
