52% of all GCSE exams taken were awarded 9/8 grades and 73% 9-7.

Bradford Grammar School's A level students are celebrating outstanding success this year with 55% of all exams awarded A*/A and 78% A*-B.

“Coming to BGS has been one of the best things that's ever happened to me, and I've made so many friends. I definitely think I've been pushed, both academically and in terms of extra curriculars, doing things like debating and public speaking. It's afforded me so many opportunities. I'm so happy I got the grades I needed to take up my place at Cambridge.”

Courtney, Year 13 student

“All the teachers have been really supportive at BGS. Having that support here gave me the confidence to do well in my exams and to do well in my life. The environment is nice and it's been easy to make friends while still learning at the same time.”

Alex, Year 13 student

Elsa, who plays football for Bradford City, was overjoyed with her 11 GCSEs at grade 9 – to add to the grade 9 in French which she secured when she was just 14.

“I'm still in shock at seeing my results. You never know what you're going to get until you turn up, I'm really pleased with them.”

Elsa, Year 11 student

“I'm delighted with my results. I'm very grateful to BGS and all the teachers, especially Mr Robinson, (BGS specialist swimming coach) for supporting me through this difficult year so that I could achieve my dream to represent GB internationally but also to achieve my goals academically. I feel very lucky and privileged.”

Leah, Year 11 student

“I wouldn't have achieved my GCSE grades and gotten so far with my sport if I hadn't gained an assisted place. It's opened up so many opportunities for me.”

George, Year 13 student

“The place at Bradford Grammar completely changed my life. It opened up the world of learning to me. It's not just about the quality of education, it's who you surround yourself with. If you're in a school that cares about learning, you will succeed.”

Charlie, Year 13 student
